Education:

BFA - University of the Arts, 2009, graduated with Honors.

Penn LPS Coding Bootcamp - Full-stack Web Development program, 2021.

Skills and Abilities:

- Proficient in HTML, CSS and JavaScript, the three main languages of web development.
- Skilled illustrator, experienced in acrylic painting, pen and ink, as well as basic photoshop.
- Experienced in team management and crew lead.
- Experienced in customer service.

Work Experience:

Mambo Movers, 2016 to 2019 :

- Worked as a crew lead, or 'A-Crew' in company lingo, where working with your team and understanding your team's dynamic was key to delivering an excellent customer experience. I also needed to be able to work independently and creatively to accomplish our daily jobs under tight time constraints.

FedEx 2015 to 2016:

- Worked at the PDX airport facility loading and unloading aircraft. I was 'captain certified' which means I lead teams during the load and unload, careful to meet the tight deadlines, careful to get the load paper work to match the weight and balance issued by the ramp office.
